# Apollo Profile Areas Of Concern Report

## Essential

### Responsibility - Primary

Unwilling to take responsibility

Over responsible

Likely to demonstrate a marked reluctance to take responsibility to the degree necessary for management level performance.

### Power - Primary

Submissive

Authoritarian

Prefers a leadership role and is very willing to use power to achieve goals.

### Delegating - Primary

Does not delegate

Delegates readily

Could improve delegating to gain more effectiveness as a leader, whilst developing staff.

## Desirable

### Independence - Secondary

Highly values independence, probably full of good ideas but will want to do things their way. May have difficulty fitting into organisation life unless the role provides autonomy.

### Compromising - Secondary

Too willing to compromise.
